

MEET YOUR FUTURE COMPETITION

WIN A TRIP TO NEW YORK AND WORK EXPERIENCE IN OUR LONDON OFFICE

Following the release of our new graduate brand, we are holding an open social media competition for aspiring lawyers over the age of 18. Tell us what is important to you for your future legal career and be in with the chance to win a trip to New York alongside work experience in our London office.

How to enter

- Follow our Instagram Account and Graduate Recruitment Facebook Page*
- To enter this competition, we will be asking entrants to submit either their own video or an image. The content should be their original work and should represent what the entrant wants for their "future legal career".
- Entrants must post their submission and tag either or both of our social media handles* for our Graduate Facebook and Instagram accounts. When posting, they must use the following hashtags; **#meetyourfuture** **#meetbclp**. If entrants do not do this, we will not know that you have entered the competition.
- As part of the post, entrants must also answer the following question - what would you like BCLP's next 360° video to feature? If you are posting a video you can answer it verbally, alternatively you can answer this question as a caption alongside your post. To watch our 360° videos - search 'BCLP Trainees' on the YouTube App or head to our Facebook page. For optimum viewing - why not use our virtual reality goggles that we gave away on campus!

The competition is open to entries from 09.00 on Monday 18 March 2019 until 23.59 on Sunday 12 May 2019. If you have any queries please get in touch with a member of our Graduate Recruitment team at trainee recruit@bclplaw.com or speak to your campus ambassador should you have one (details of our campus ambassadors can be found on our Instagram).
